PIP STUDIO THERMOS BOTTLE COLLECTION FW 2023

Yesterday is a treasure, today is a gift

In 2007, Pip Studio was founded in Amsterdam by Catharina van der Endt who decided it was time to colour outside the lines. Today, Pip Studio has grown up, but kept her playful character. Pip Studio is a reflection of Catharina's positive personality and perspective on life. She is convinced that each moment of each day beholds the opportunity to share and celebrate life with the people we care for.

You could ignore those tiny chunks of gold by sticking to your daily routine. But Pip suggests doing the exact opposite. Chase them, embrace them and cherish them. From waking up in the morning in a beautifully messy bed, walking barefoot over fairy tale tiles to sipping coffee together from royal porcelain cups that are different in every way you look at it.

From teapot to wallpaper, from pillow to cookie jar: Pip brightens your day with a colourful mash-up of styles and stories. Pip is a true treasure hunter. A passionate collector of past prettiness and enthusiastic adopter of bright new technology, like digital textile printing or porcelain cutlery. Resulting in a growing number of collections of today's classics. Pip's products are crafted with eye for the tiniest details. Classic yet inventive, traditional yet original. They remind us to embrace our heritage and inspire us to celebrate life.

IZY | PIP STUDIO®

Pip Studio not only believes in happy products for happy people, but also in a happy planet. Although we still have a long road ahead of us to be fully circular and carbon-neutral with all our products, we took the next, environmentally positive, step with the introduction of the IZY Bottles x Pip Studio collection.

IZY Bottles and Pip Studio strive every day to reduce the use of single-use plastics around the world. By offering reusable products that fits an active outdoor lifestyle, as well as activities indoors or on the road. By using our bottles, you not only save around 160 plastic bottles per year but you also drink in a 100% CO2 neutral manner. And as if that's not enough, we also donate 1000x the capacity of each bottle sold in clean drinking water. Let's make a difference together!
