SPRING 2024

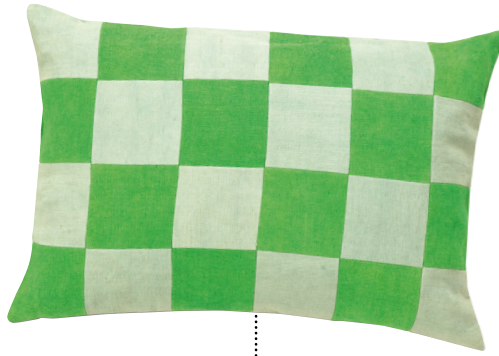

Color:
vibes

Check mate!

The new cushions in our capsule collection have a funky color pallet and are soft at the same time. The perfect combination; right?

Big is beautiful

A bag is a girls best friend. To carry all necessary stuff and this one never goes out of style. Don't you love it?

Candle light

Long nights, friendly lights. Love those long summer nights in the garden. Although our garden is not very big, I don't need much; a table in the shade, comfortable chairs, good company and candle light.

Pink mama

Your fruit has never looked more delicious! Everything looks lovely in this pink mother of pearl bowl.

TANJA SAARBERG
FORMULE MANAGER VTWONEN
Living together with partner Marcel, sons Kick & Beer and housecat Jackson.

vtwonen is known for the perfect basics, dinnerware, cutlery, textiles en wall decoration. But this year we introduce capsule collections. Small striking collections to spice up your (web)shop every few months. And the best part, they are complementary so they mix and match perfectly through the seasons. The first two we introduce now are fun, funky and have a must have vibe all over. Enjoy!

Love ♥ Tanja
